Entry Process

1. Players should complete the online application form and submit it no less than one month before the closing date for that event.
2. All entered players are required to submit payment for selected entry fees to Table Tennis Wales before the event, Table Tennis Wales will send an invoice for payment.
3. Players who have received an invoice from Table Tennis Wales but not made payment before the competition may be withdrawn from the event and are still liable for any event entry fees that Table Tennis Wales is charged. The player is also liable for any ranking penalties should they withdraw or be withdrawn after the ITTF specified date. Players will not be entered in future competitions until all outstanding fees are paid.
4. All withdrawals should be done in writing to membership@tabletennis.wales and until receipt of confirmation of withdrawal from Table Tennis Wales should continue to compete as entered.

Payment

As noted above, players are responsible for all their own costs associated with entering, travelling, and competing in the events covered by this policy unless otherwise agreed in writing with Table Tennis Wales. In the event that the player is under eighteen then the parent or guardian who signed the self-funding form accepts full responsibility for this payment. Players choosing option 1, ie entry fee only should make payment in cash on arrival. Table Tennis Wales will only make payment on receipt of a valid invoice for player choosing another option, these costs will be charged to the player as per the rest of this policy.

Players may be withdrawn from events unless all payments have been received in advance.

Official Event Support

Unless otherwise notified Table Tennis Wales will not send or fund any official or unofficial support for athletes to attend an event that they are selected and entered for. Should an athlete wish to bring and pay for a person to be accredited as an official support person they must request this on their initial entry form and if selected complete all payments necessary for their requested person. Provided the player is entered, Table Tennis Wales will enter the requested support person unless:

1. Table Tennis Wales are sending a Table Tennis Wales Official in which case Table Tennis Wales may choose not to enter the requested support person at its sole discretion.
2. There are insufficient accredited places to support the request, the highest ranked players will get priority where places are limited.
3. Table Tennis Wales believe or have cause to believe that the requested person may give cause to a child protection issue with that athlete or any other Wales athlete attending the event
4. The requested person is not in good standing with Table Tennis Wales or serving any ban for disciplinary, doping, integrity, child protection or any other relevant issue or facing an investigation that may give rise to a disciplinary process.

In the event that Table Tennis Wales decline to select the athletes' nominated official staff member the athlete accepts that they have no right of appeal no matter whether the decision may impact on their ability to attend or perform at the event in question. In doing so, Table Tennis Wales accept that they have no jurisdiction to prevent the person(s) travelling to or attending the event, merely that Table Tennis Wales may chose not to nominate them as an official accredited member or convey any other status on them.

Should Table Tennis Wales decide to send a Table Tennis Wales staff member, they will be officially accredited to the event they are attending. This staff member will have specific responsibilities that may or may not preclude them from supporting individual athletes at each event and that Table Tennis Wales will confirm their role to all attending the event as soon as practical.

Players under 18 remain the responsibility of their legal parent or guardian and it is the legal parent/guardian's responsibility to ensure that any player under 18 is appropriately cared for or supported throughout the competitions that they are entering through this process and meet all relevant travel requirements (eg airline).
