### Monitoring and Review

The policy will be annually monitored and a full policy review will take place every three years. A policy review may also be conducted in response to any of the following occurrences:

- Changes in legislation or guidance
- Changes in governance of the sport
- Changes in the nature or size of Table Tennis Wales
- A procedural review taking place following a significant case

Table Tennis Wales is committed to providing guidance and support to table tennis clubs and organisations, to ensure that all children in table tennis, participate in an environment that is both safe and enjoyable.

Disclosure and Barring Service (DBS), enables Table Tennis Wales and its clubs and organisations, to make informed recruitment decisions. Any individuals wishing to work, either in a paid role or volunteer role, with young people in table tennis, are required to undertake an enhanced DBS check and / or barred list check.

Please remember DBS checks should not be used in isolation, they should be one part of the process to determine if someone is suitable to work with young people in a particular role.

### Who is eligible for a check?

The Government have reviewed the criteria to determine who is eligible for a DBS check and have introduced the definition of 'regulated activity' to assist. The new guidance introduces consistent, safeguarding and vetting requirements, for all those working with young people, whether they are in a paid or voluntary capacity.

The definition distinguishes between roles that meet the definition of 'regulated activity' AND whether they are deemed supervised or unsupervised roles. The supervision distinction determines the level of check required i.e. enhanced DBS check and / or barred list check.

### Eligibility for a DBS check by role

Table Tennis Wales has taken the definition and applied the criteria to the table tennis environment, to provide a list (not exhaustive) of roles. Each role has been broken down to determine what level of check is required.

### What are your responsibilities as a club / organisation?

To be affiliated to Table Tennis Wales, it's imperative that the following responsibilities are carried out:

1. Ensure all those that are eligible, complete a DBS check to the appropriate level, (checks should be completed every three years).
2. Do not deploy (paid or unpaid role) anyone in 'regulated activity', unless you have completed a barred list check.
3. Inform people prior to them taking on a role, if it will require a DBS / barred list check.
4. Inform Table Tennis Wales, if you have a concern about a person and they are working with young people

## How do you get checks processed?
