Steve Smith's Fundraising 2024

Anyone who has seen me around may have noticed that I've shrunk a little in the last year or so. I am a few weeks short of having completed 1 year since joining a gym and am currently on track to finish the latest 12-week program 30kg (almost 5 stone) lighter than when I started last April.

To keep me motivated I have signed up for some events to work towards and challenge myself. In the process I am raising money for a couple of charities that are very close to my heart. 15 years ago, my sister Cat passed away after battling a brain tumour. She was supported throughout her battle by Macmillan Cancer Support, and she spent the last few months of her life at John Taylor Hospice (now Birmingham Hospice) where their care was exceptional.

On Sunday 5th May I will be taking part in the **Great Birmingham Run** where I will be running **10k** and raising money for Birmingham Hospice. Whilst I have started running and am now regularly running 5k I have yet to complete 10k in one run, of course I intend to before the big day, but it is still a work in progress.

<https://www.justgiving.com/fundraising/steve-smith225>

On Saturday 26th October I will be undertaking the greatest physical challenge I will have ever attempted – I have signed up for **Hyrox Birmingham**. Having been inspired when I went to spectate at last year's event supporting fellow members of my gym, I came away saying "I want to do that". I have no time target, I just want to complete the course.

Hyrox is the sport of fitness racing - The course is 8 single 1km runs, each followed by a functional physical exercise (1km ski, 50m 152kg sled push, 50m 103kg sled pull, 80m burpee broad jumps, 1km row, 200m 24kg farmers carry, 100m 20kg weighted lunges & 100x6kg wall balls).

I am fully expecting this to take me 2+ hours.

<https://www.justgiving.com/page/steve-smith-1709552208669>

Any donations will be very gratefully received by either charity, thank you for your support

Steve
