Section 1 – Project Overview

This is your opportunity to tell us about your project in your own words. We want to understand what you are planning to do, who will be involved, and how the funding from the Women & Girls Legacy Fund will be used.

Think about what makes your project exciting and why it is needed in your community. What type of activities you plan to run, the venues or facilities you will use, the timescale for delivery, and what equipment or resources you will purchase.

 Please describe the project you are applying for and how the funding will be used. **Maximum 200 words.**

Write your project description here. (Max 200 words)

Section 2 – Impact on Women & Girls

At the heart of the Women & Girls Legacy Fund is a commitment to creating meaningful change for female participants of all ages and abilities. In this section, we want to hear about the specific difference your project will make – not just in numbers, but in the quality of experience and sense of belonging that women and girls will feel as a result of your work.

Consider how your project addresses barriers that women and girls may face – whether that is a lack of female-friendly session times, absence of female coaches and role models, inadequate facilities, cost, or a lack of awareness about table tennis in your area. Be as specific as possible about the outcomes you expect to achieve.

If your project is requesting over £1,000 from Table Tennis Wales, please note that your organisation must contribute at least 10% of the total project cost. This contribution can come from your own club funds, fundraising, in-kind support, or other grant sources. Please indicate the source of your contribution in the notes column where applicable.

Section 4– Partnerships

If your project involves collaboration with any schools, charities, community organisations, local authorities, or other groups, please list them below and briefly describe the nature of each partnership.

A genuine partnership goes beyond simply naming an organisation. Where possible, describe what each partner will contribute – whether that is a venue, volunteer time, promotional support, referrals of participants, or funding. If you have a letter of support or written agreement from any of your partners, you are welcome to attach it to your application, though this is not compulsory.

Schools

Name any primary or secondary schools involved. Describe how they will participate – for example, hosting sessions, promoting the project, or referring pupils.

Charities

List any charitable organisations working with you, particularly those supporting women, girls, or underserved communities in your area.

Community Organisations

Include local leisure centres, community halls, faith groups, youth clubs, or any other organisations whose support will help deliver or sustain your project.
