

Job Title: Club Table Tennis Coach

Location: Mackintosh Table Tennis Club

Job Type: Self Employed.

Club background:

The Mackintosh Table Tennis Club is a Table Tennis Wales Regional Development Club and is located within the Mackintosh Sports Club in an ethnically diverse geographical area of Cardiff it has a membership of over 250 players split between two locations. The Club was established in Cardiff over 75 years ago and has been a community club in City all that time. The club has an established veterans/senior's membership during the day and evening. The Mackintosh Sports Club (the Club) has provided sports and social facilities for the communities of Plasnewydd and Roath in Cardiff for the past 120 years. From its inner city site, the Club offers bowls, snooker, table tennis and lawn tennis facilities and provides spaces for use by local community groups through its community wing the Mackintosh Community Centre which was built in 1986. The original house on the Mackintosh Sports Club site was built in approximately 1780 and was known as Plasnewydd (New Mansion in Welsh). In the 1830s when the castellations were added, it became known as Roath Castle. The Mackintosh Sports Club is set in 2 acres of open space in the Plasnewydd district of central Cardiff. Until 2011, the grounds around the main Castle included a large car park, five tennis courts and a bowling green and one corner of the ground contains a small public park. During 2012, a new two storey building was added that includes a large male changing room and a large female changing room which are to be shared with all of the sports club members. Both changing rooms include showers and toilet facilities with a high specification. The Mackintosh Sports Club in Roath, Cardiff has a Table Tennis section located on the first floor. Members include those who just wish to play socially, as well as many who play in our teams in the Cardiff & District League. We currently have 9 teams represented in the league spanning all standards, including up to international level and new players are always welcome whether beginners or experienced players. We wish to be able to grow the existing club programme at this venue and increase membership within the club to attract children participation. This creates a further opportunity for sustainability of the sport within Cardiff. We can also to use these premises for the entire morning, afternoon and evening giving our community, registered members and school children a great opportunity to play and practice. The Mackintosh Table Tennis Club is a sperate entity that has its own bank account. We have no paid members within the organisation and everyone who works for the benefit of the Table Tennis Club does

so as a volunteer. We have a governance structure in place and a committee as well as a safeguarding officer.

[Welcome to the Mackintosh Sports Club - Mackintosh Sports Club](#)

Job Purpose

The club is seeking an self-employed enthusiastic and skilled Table Tennis Coach to design and deliver high-quality coaching programmes. You will develop players of all ages and abilities, from beginners learning the basics to competitive athletes preparing for tournaments.
