

Women & Girls Legacy Fund

Table Tennis Wales — Inspired by our national team's historic qualification for the World Championships, we're investing in the future of women and girls in table tennis across Wales.

NOW OPEN

DEADLINE FRIDAY 15TH JANUARY 2027.

A Historic Moment for Welsh Table Tennis

The Welsh Women's Team has qualified for the **World Championships** — a landmark achievement that marks a defining moment for the sport in Wales. This milestone is more than a competitive result; it is a powerful platform to inspire the next generation.

Table Tennis Wales believes that national success should create ripples throughout every community in the country. The Women & Girls Legacy Fund exists to turn that inspiration into tangible action — giving clubs, organisations, and communities the resources they need to welcome, retain, and celebrate women and girls in the sport.

About the Legacy Fund

What Is It?

A dedicated fund of **£5,000** launched by Table Tennis Wales to create a lasting legacy from the national team's World Championships qualification — directly benefiting women, girls, families, and the wider community.

How Does It Work?

Clubs and organisations can apply for funding to support projects that improve their table tennis environment or participation opportunities. Funding is paid in **one instalment** following approval of the application and receipt of a signed Service Level Agreement.

Applications will be assessed against clear priority outcomes, with a focus on inclusion, sustainability, and community impact.

Priority Outcomes

Projects will be prioritised where they demonstrate a clear contribution to one or more of the following outcomes:

1

Increase Participation

Grow the number of women and girls actively participating in table tennis across Wales.

2

Welcoming Environments

Create inclusive, supportive spaces within clubs where everyone feels they belong.

3

School & Community Links

Develop meaningful pathways connecting schools, clubs, and community organisations.

4

Partnerships

Support collaborative projects with charities and community groups to broaden reach.

5

Club Sustainability

Strengthen clubs through improved facilities, equipment, or volunteer development.

6

Welsh Language & Inclusivity

Promote the Welsh language and celebrate diversity within the table tennis community.

Eligible Projects: Equipment

Investing in the right equipment is one of the most direct ways to open doors for new participants. The following equipment purchases are eligible for funding:

Tables, Barriers & Coaching Kit

Purchase of tables, table tennis barriers, and professional coaching equipment to upgrade your facility.

Women & Girls' Session Packages

Equipment packages specifically designed to support the launch of new dedicated women and girls' sessions at your club.

Inclusive Participation Equipment

Adapted or specialist equipment that supports players of all abilities, backgrounds, and needs to participate fully.

Eligible Projects: Participation & Partnerships

School Pathways

Develop structured links with local schools to create clear, supported pathways for girls to transition from school sport into club membership and regular participation.

Community & Family Spaces

Create welcoming social spaces or community activities that encourage whole-family participation, making table tennis a shared experience beyond competitive play.

Charity & Community Partnerships

Collaborative projects with charities, third-sector organisations, or community groups that use table tennis as a vehicle for social wellbeing and broader inclusion.

Eligible Projects: Workforce Development

A thriving club needs great people. Funding is available for projects that help attract, develop, and retain the women and volunteers who make clubs run.

Recruiting Under-Represented Groups

Innovative projects aimed at recruiting and retaining women, girls, and under-represented groups within your club's workforce — including mentoring schemes, taster events, or volunteer recognition programmes.

How to Apply

The process is designed to be straightforward. Once your application is approved, you will be asked to sign a Service Level Agreement before funding is released in a single payment. We encourage clubs to get in touch with Table Tennis Wales if they have any questions before submitting.

Fund at a Glance

£5,000

Total Fund

Available to support clubs and organisations across Wales.

1

Single Payment

Funding released in one instalment following approval and SLA signing.

6

Priority Outcomes

Clear criteria to guide your project design and application.

3

Project Areas

Equipment, Participation & Partnerships, and Workforce Development.

Funding is available now. Don't miss your opportunity to be part of this historic legacy for women and girls in Welsh table tennis.

Be Part of the Legacy

The Welsh Women's Team has shown what is possible. Now it's the turn of clubs, coaches, and communities across Wales to build on that inspiration — and create lasting change for women and girls in table tennis.

> This is our opportunity to ensure that the achievements of our national team echo in every sports hall, school, and community centre across Wales.

Get in Touch

Contact Table Tennis Wales to discuss your project idea before applying.

Submit Your Application

Complete the application form and submit it to Table Tennis Wales for review.

Make an Impact

Deliver your project and help shape the future of women's table tennis in Wales.

Deadline

Friday 15th January 2027.
